

Hononegah Bands Summer Schedule 2022!

Dear HCHS Band Students and Parents,

Welcome to the Hononegah Band Family. Throughout the month of June, we will be having Rehearsals, please check below for the specifics. These rehearsals are for those students registered for Concert Band, Symphonic Band and the Wind Ensemble for next year (Fall 2022) as well as those that want to march in the Marching Band next year. These rehearsals are part of preparing the students enrolled in the Concert, Symphonic and Wind Ensembles for upcoming performances. Incoming Freshmen, Sophomores, Juniors and Seniors are encouraged and expected to attend. Please be sure to 'register' your and your students contact information on the Hononegah Instrumental Music Website so that we can communicate with you easier. Until the HCHS skyward system is rolled over in the Fall, there is no easy way for me to contact the incoming (and even some of the current) students unless you fill out the online form with summer contact information.

If you already have summer vacation plans, just let me know so that I don't expect the student(s) to be in attendance. There is no cost for the students to attend the Wednesday night rehearsals in June or the August Marching Band Camp. This is not considered a camp like a football camp where you pay extra to participate. If the student is participating in the Marching Band (which is required of Concert Band, Symphonic Band, and Wind Ensemble members), then they should make every effort to attend as many of the Wednesday Night's they can over the summer and they will need to attend the Marching Band camp in August. Thank you.

The more we can get done before camp and the school year starting, the more we can focus on being better musicians and performers.

Thank you again for all that you as parents and supporters do!!! We couldn't be as successful without your help and continued support. Thank you!

Musically,
Mr. Kramper
Director of Bands
Hononegah Community High School
